Re: Claim number 05 TF9 T02 Q3

Sir/Mafam

Foreign Claim Commission IF9 has reviewed and considered the claim you have made against the United States under the Foreign Claims Act, Title 10, United States Code, Section 2734, and U.S. Army Regulation 27-20. Claims under this act can only be paid under certain circumstances. A claim is payable only if the damage was the result of negligence on the part of U.S. military personnel or as a result of non-combat activities. Furthermore, claims are not payable if they are a direct or indirect result of combat action or are filed more than two years after the incident.

Unfortunately, your claim is not compensable under the U.S. Foreign Claims Act because it does not meet the criteria above. You have the right to have this decision reconsidered, but if you wish to have this done, you must include new evidence that shows either U.S. negligence or that your damages were caused by U.S. military personnel not as a result of combat activities. Any such request must be made within 30 days of your receipt of this letter. Failure to appeal within 30 days will render this decision final and conclusive as a matter of law pursuant to 10 USC Section 2735.
