The Autopsy Report

The undersigned, [REDACTED], conducted an autopsy on the body of Yassin Mohammad Nakawah at 12:40 O'clock of 01/15/2006 and he found the following:

Body Description

Age: 43. Gender: Male. Skin color: Dark skin. Hair color: Black. Face hair color: Black. Eyes color: --. The death spot is located on the back side of the body. Decomposition: Not started. Body: Average. (Illegible) death: complete. Body marks or tattoo: ---. Clothes: White t-shirt and black dress.

The External Damage

1. A lot of metal fragments were found at the lower front part of the chest and in the front of the stomach. Most of the fragments did not penetrate the interior body but some were found inside the stomach.
2. We also found bone damage and a shot-entry and exit under the left shoulder.
3. We found traces of an examination cut near the stomach of the victim.

Our Conclusions

1. Death cause. Fractures, ruptures and bleeding from the blood vessels caused by shot injury.
2. We didn't find any prove that the shooting happened from close distance.
3. We were not able to determine the kind of weapon used to shoot the victim because of the fragmentation of the bullet and the difficulty that we faced to extract the fragments from the body. We were able however to extract some fragments and we'll send them to you.
4. Shooting direction: Front to back/ we couldn't determine the other directions because of the fragmentation of the bullet.

1- We received a report from the Iraqi Patrol Forces about a homicide incident that was reported to al-Kanaday Hospital. We moved to al-Kanaday Hospital and located the body of Nagah Hamid Nakawah that was laying on the Dead-Bed. After we examined the body as well as the crime scene, we sent the body to the autopsy to determine the cause of her death.

2- We also wrote down the testimony of her husband, Yassin Mohammad Nakawah al-Qurishe, which indicated that unidentified individuals shot him at 2:30 am. The husband was transferred to the emergency room and his medical report was attached to this file.

3- The witness [REDACTED] (Illegible) also testified that he saw an American squad (Group) shooting inside his neighbors' house. He also testified seeing the bodies of Abu Taha and Om Taha laying on the ground because of the shooting.

4- We also wrote down the testimony of the plaintiff, their son [REDACTED] who testified that he saw his mother falling on the ground with an oil lamp in her hand while his father's body was laying on the ground.
