INVESTIGATING OFFICER'S NAME: CPT

INVESTIGATING OFFICER'S SIGNATURE:

Later that evening LTC and from the Iraqi Police called LTC to inform him that her. The had deceased at the bespital. This investigating officer was initially informed that an autopsy was to be conducted but during the initial

tzat

Equiry I was informed that Mr. *** and been buried without an autopsy being conducted. No further information has been given as to the actual cause of death.

In conclusion this irvestigating officer finds that the patrol followed proper RAMP and ROE. In addition, I find that all established company level SOPs were utilized to the fullest extent.

Recommendations: Investigating officer is confident in the decision-making of the soldiers involved in the incident and that they understand the seriousness of every round fired while on patrol. I also believe the patrol leader made the right decisions and I recommend that the patrol follow-up with the family of the local national to maintain a positive relationship with the family/community. Also I recommend that the members of the patrol continue to conduct concurrent RAMP and ROB training to ensure proper use of force in the future.
