WRUFY2 6 December 2007

MEMORANDUM FOR RECORD

SUBJECT: Claims at (b)(6) CMOC

- On 05 December 2007 the Owesat CMOC accepted local nationals to prepare claims for an upcoming claims day by 3BCT 101st ABN(AA) JAG. Most of the local national claims are from the time period when 2-10MTN operated in the area of operations.
- 2. Due to tribal feuds the people of Owesat have no access to roads to the north and south. There is no medical care in the area and no way to produce death certificates. The local markets have a limited inventory because they can not get to Baghdad or Fallujah for replenishment and the people have no money to purchase cameras to document damages to their property.
- 3. We accepted people who had some documentation or witnesses to the event in which they were claiming. We understand that 3BCT 101st ABN(AA) JAG is the approving authority for claims and tried to convey this to the local nationals as they made their claim.
