SUBJECT: Claim # 08-I2A-A061

(b)(6)

Baghdad, Iraq

Dear Sir:

You have submitted a claim seeking compensation for damages to your personal property. I have thoroughly reviewed your claim pursuant to the Foreign Claims Act (FCA), Title 10, United States Code §2734, Army Regulation 27-20, and Department of the Army Pamphlet 27-162 Claims Procedures.

Allow me to express my sympathy for the damage to your property and your losses from July 7, 2007. However, in accordance with the cited references and our investigation of the operational records concerning your claim, your claim is not compensable. After a search of records of the date in question, the evidence provided showed that damages were the result of combat operations. Damages directly or indirectly related to combat operations are not compensable. Accordingly, your claim is denied.

If you are dissatisfied by this action, you may request reconsideration of the decision in accordance with AR 27-20. Any such request must be based on new or additional evidence and should be forwarded to this office. While there is no prescribed format for such a request, it must describe the legal and/or factual basis for relief. Any request for reconsideration should be made in writing within 30 days of your receipt of this letter. Thank you for your kind attention.

Sincerely,

(b)(3), (b)(6)
