MEMORANDUM FOR RECORD

SUBJECT: Condolence Payment - (b)(6)

- 1. I have conducted an initial review of the circumstances surrounding the events of 15-Sep-07, which resulted in a claim by (b)(6)
- 2. In accordance with the applicable statues and the investigation into your claim, the claim is not compensable. After a search of records of the date in question, the evidence provided showed that damages were the result of combat operations. Damages directly or indirectly related to combat operations are not compensable. I do, however, authorize the payment of CERP condolence funds to (b)(6) in the amount of \$2500.00. I have determined that a condolence payment is necessary and appropriate for the damage caused by U.S. Forces.

(b)(3), (b)(6)

I have reviewed the proposed condolence payment authorized by COL(b)(3), (b)(6) He is authorized to approve payments in the stated amount. Based on the circumstances of the accident, the use of CERP funds to make a condolence payment complies with the MNC-I CJ8 SOP, Money as a Weapons System, dated 1 February 2008.
