can be a civilian you arrange for at no expense to the Government or a military lawyer detailed for you at no expense to you, or both."

- or -

(For civilians not subject to the UCMJ) You have the right to talk privately to a lawyer before, during, and after questioning and to have a lawyer present with you during questioning. THE WAIVER

"Have you ever requested a lawyer after being read your rights?"
(If the suspect/accused says "yes," find out when and where. If the request was recent (*i.e.*, fewer than 30 days ago), obtain legal advice whether to continue the interrogation. If the suspect/accused says "no," or if the prior request was not recent, ask him/her the following question.)

If the suspect/accused says "yes," have him/her read and sign the waiver section of the waiver certificate on the other side of this form.)*

SPECIAL INSTRUCTIONS

WHEN SUSPECT/ACCUSED REFUSES TO SIGN WAIVER CERTIFICATE: If the suspect/accused orally waives his/her rights but refuses to sign the waiver certificate, you may proceed with the questioning. Make notations on the waiver certificate to the effect that he/she has stated that he/she understands his/her rights, does not want a lawyer, wants to discuss the offense(s) under investigation, and refuses to sign the waiver certificate.

Every effort should be made to complete the waiver certificate before any questioning begins. If the waiver certificate cannot be completed at once, as in the case of street interrogation, completion may be temporarily postponed. Notes should be kept on the circumstances.

The office of the serving Staff Judge Advocate should be contacted for assistance in drafting the proper rights advisal.
- NOTE: If 1 or 2 applies, the fact that the suspect/accused was advised accordingly should be noted in the comment section on the waiver certificate and initialed by the suspect/accused.
- WHEN SUSPECT/ACCUSED DISPLAYS INDECISION ON EXERCISING HIS OR HER RIGHTS DURING THE INTERROGATION PROCESS: If during the interrogation, the suspect displays indecision about requesting counsel (for example, "Maybe I should get a lawyer."), further questioning must cease immediately. At that point, you may question the suspect/accused only concerning whether he or she desires to waive counsel. The questioning may not be utilized to discourage a suspect/accused from exercising his/her rights. (For example, do not make such comments as "If you didn't do anything wrong, you shouldn't need an attorney.")

PART II - RIGHTS WARNING PROCEDURE

THE WARNING

1. **WARNING** - Inform the suspect/accused of:
 - a. Your official position.
 - b. Nature of offense(s).
 - c. The fact that he/she is a suspect/accused.
2. **RIGHTS** - Advise the suspect/accused of his/her rights as follows:

"Before I ask you any questions, you must understand your rights."

 - a. "You do not have to answer my questions or say anything."
 - b. "Anything you say or do can be used as evidence against you in a criminal trial."
 - c. (For personnel subject to the UCMJ) "You have the right to talk privately to a lawyer before, during, and after questioning and to have a lawyer present with you during questioning. This lawyer

can be a civilian you arrange for at no expense to the Government or a military lawyer detailed for you at no expense to you, or both."

- or -

(For civilians not subject to the UCMJ) You have the right to talk privately to a lawyer before, during, and after questioning and to have a lawyer present with you during questioning. This lawyer can be one you arrange for at your own expense, or if you cannot afford a lawyer and want one, a lawyer will be appointed for you before any questioning begins."

- d. "If you are now willing to discuss the offense(s) under investigation, with or without a lawyer present, you have a right to stop answering questions at any time, or speak privately with a lawyer before answering further, even if you sign a waiver certificate."

Make certain the suspect/accused fully understands his/her rights.

THE WAIVER

"Do you understand your rights?"

(If the suspect/accused says "no," determine what is not understood, and if necessary repeat the appropriate rights advisement. If the suspect/accused says "yes," ask the following question.)

"Have you ever requested a lawyer after being read your rights?"

(If the suspect/accused says "yes," find out when and where. If the request was recent (i.e., fewer than 30 days ago), obtain legal advice whether to continue the interrogation. If the suspect/accused says "no," or if the prior request was not recent, ask him/her the following question.)

"Do you want a lawyer at this time?"

(If the suspect/accused says "yes," stop the questioning until he/she has a lawyer. If the suspect/accused says "no," ask him/her the following question.)

"At this time, are you willing to discuss the offense(s) under investigation and make a statement without talking to a lawyer and without having a lawyer present with you?" (If the suspect/accused says "no," stop the interview and have him/her read and sign the non-waiver section of the waiver certificate on the other side of this form. If the suspect/accused says "yes," have him/her read and sign the waiver section of the waiver certificate on the other side of this form.)

SPECIAL INSTRUCTIONS

WHEN SUSPECT/ACCUSED REFUSES TO SIGN WAIVER CERTIFICATE: If the suspect/accused orally waives his/her rights but refuses to sign the waiver certificate, you may proceed with the questioning. Make notations on the waiver certificate to the effect that he/she has stated that he/she understands his/her rights, does not want a lawyer, wants to discuss the offense(s) under investigation, and refuses to sign the waiver certificate.

IF WAIVER CERTIFICATE CANNOT BE COMPLETED IMMEDIATELY: In all cases the waiver certificate must be completed as soon as possible. Every effort should be made to complete the waiver certificate before any questioning begins. If the waiver certificate cannot be completed at once, as in the case of street interrogation, completion may be temporarily postponed. Notes should be kept on the circumstances.

PRIOR INCRIMINATING STATEMENTS:

1. If the suspect/accused has made spontaneous incriminating statements before being properly advised of his/her rights he/she should be told that such statements do not obligate him/her to answer further questions.

2. If the suspect/accused was questioned as such either without being advised of his/her rights or some question exists as to the propriety of the first statement, the accused must be so advised. The office of the serving Staff Judge Advocate should be contacted for assistance in drafting the proper rights advisal.

NOTE: If 1 or 2 applies, the fact that the suspect/accused was advised accordingly should be noted in the comment section on the waiver certificate and initialed by the suspect/accused.

WHEN SUSPECT/ACCUSED DISPLAYS INDECISION ON EXERCISING HIS OR HER RIGHTS DURING THE INTERROGATION PROCESS: If during the interrogation, the suspect displays indecision about requesting counsel (for example, "Maybe I should get a lawyer."), further questioning must cease immediately. At that point, you may question the suspect/accused only concerning whether he or she desires to waive counsel. The questioning may not be utilized to discourage a suspect/accused from exercising his/her rights. (For example, do not make such comments as "If you didn't do anything wrong, you shouldn't need an attorney.")

- or -

(For civilians not subject to the UCMJ) You have the right to talk privately to a lawyer before, during, and after questioning and to have a lawyer present with you during questioning. This lawyer can be one you arrange for at your own expense, or if you cannot afford a lawyer and want one, a lawyer will be appointed for you before any questioning begins."

- d. "If you are now willing to discuss the offense(s) under investigation, with or without a lawyer present, you have a right to stop answering questions at any time, or speak privately with a lawyer before answering further, even if you sign a waiver certificate."

Make certain the suspect/accused fully understands his/her rights.

THE WAIVER

"Do you understand your rights?"

(If the suspect/accused says "no," determine what is not understood, and if necessary repeat the appropriate rights advisement. If the suspect/accused says "yes," ask the following question.)

"Have you ever requested a lawyer after being read your rights?"

(If the suspect/accused says "yes," find out when and where. If the request was recent (i.e., fewer than 30 days ago), obtain legal advice whether to continue the interrogation. If the suspect/accused says "no," or if the prior request was not recent, ask him/her the following question.)

"Do you want a lawyer at this time?"

(If the suspect/accused says "yes," stop the questioning until he/she has a lawyer. If the suspect/accused says "no," ask him/her the following question.)

"At this time, are you willing to discuss the offense(s) under investigation and make a statement without talking to a lawyer and without having a lawyer present with you?" (If the suspect/accused says "no," stop the interview and have him/her read and sign the non-waiver section of the waiver certificate on the other side of this form. If the suspect/accused says "yes," have him/her read and sign the waiver section of the waiver certificate on the other side of this form.)

SPECIAL INSTRUCTIONS

WHEN SUSPECT/ACCUSED REFUSES TO SIGN WAIVER CERTIFICATE: If the suspect/accused orally waives his/her rights but refuses to sign the waiver certificate, you may proceed with the questioning. Make notations on the waiver certificate to the effect that he/she has stated that he/she understands his/her rights, does not want a lawyer, wants to discuss the offense(s) under investigation, and refuses to sign the waiver certificate.

IF WAIVER CERTIFICATE CANNOT BE COMPLETED IMMEDIATELY: In all cases the waiver certificate must be completed as soon as possible. Every effort should be made to complete the waiver certificate before any questioning begins. If the waiver certificate cannot be completed at once, as in the case of street interrogation, completion may be temporarily postponed. Notes should be kept on the circumstances.

PRIOR INCRIMINATING STATEMENTS:

1. If the suspect/accused has made spontaneous incriminating statements before being properly advised of his/her rights he/she should be told that such statements do not obligate him/her to answer further questions.

2. If the suspect/accused was questioned as such either without being advised of his/her rights or some question exists as to the propriety of the first statement, the accused must be so advised. The office of the serving Staff Judge Advocate should be contacted for assistance in drafting the proper rights advisal.

NOTE: If 1 or 2 applies, the fact that the suspect/accused was advised accordingly should be noted in the comment section on the waiver certificate and initialed by the suspect/accused.

WHEN SUSPECT/ACCUSED DISPLAYS INDECISION ON EXERCISING HIS OR HER RIGHTS DURING THE INTERROGATION PROCESS: If during the interrogation, the suspect displays indecision about requesting counsel (for example, "Maybe I should get a lawyer."), further questioning must cease immediately. At that point, you may question the suspect/accused only concerning whether he or she desires to waive counsel. The questioning may not be utilized to discourage a suspect/accused from exercising his/her rights. (For example, do not make such comments as "If you didn't do anything wrong, you shouldn't need an attorney.")

PART II - RIGHTS WARNING PROCEDURE

THE WARNING

1. WARNING - Inform the suspect/accused of:
 - a. Your official position.
 - b. Nature of offense(s).
 - c. The fact that he/she is a suspect/accused.
2. RIGHTS - Advise the suspect/accused of his/her rights as follows:

"Before I ask you any questions, you must understand your rights."

 - a. "You do not have to answer my questions or say anything."
 - b. "Anything you say or do can be used as evidence against you in a criminal trial."
 - c. (For personnel subject to the UCMJ) "You have the right to talk privately to a lawyer before, during, and after questioning and to have a lawyer present with you during questioning. This lawyer

can be a civilian you arrange for at no expense to the Government or a military lawyer detailed for you at no expense to you, or both."

- or -

(For civilians not subject to the UCMJ) You have the right to talk privately to a lawyer before, during, and after questioning and to have a lawyer present with you during questioning. This lawyer can be one you arrange for at your own expense, or if you cannot afford a lawyer and want one, a lawyer will be appointed for you before any questioning begins."

- d. "If you are now willing to discuss the offense(s) under investigation, with or without a lawyer present, you have a right to stop answering questions at any time, or speak privately with a lawyer before answering further, even if you sign a waiver certificate."

Make certain the suspect/accused fully understands his/her rights.

THE WAIVER

"Do you understand your rights?"

(If the suspect/accused says "no," determine what is not understood, and if necessary repeat the appropriate rights advisement. If the suspect/accused says "yes," ask the following question.)

"Have you ever requested a lawyer after being read your rights?"

(If the suspect/accused says "yes," find out when and where. If the request was recent (*i.e.*, fewer than 30 days ago), obtain legal advice whether to continue the interrogation. If the suspect/accused says "no," or if the prior request was not recent, ask him/her the following question.)

"Do you want a lawyer at this time?"

(If the suspect/accused says "yes," stop the questioning until he/she has a lawyer. If the suspect/accused says "no," ask him/her the following question.)

"At this time, are you willing to discuss the offense(s) under investigation and make a statement without talking to a lawyer and without having a lawyer present with you?" (If the suspect/accused says "no," stop the interview and have him/her read and sign the non-waiver section of the waiver certificate on the other side of this form. If the suspect/accused says "yes," have him/her read and sign the waiver section of the waiver certificate on the other side of this form.)

SPECIAL INSTRUCTIONS

WHEN SUSPECT/ACCUSED REFUSES TO SIGN WAIVER CERTIFICATE: If the suspect/accused orally waives his/her rights but refuses to sign the waiver certificate, you may proceed with the questioning. Make notations on the waiver certificate to the effect that he/she has stated that he/she understands his/her rights, does not want a lawyer, wants to discuss the offense(s) under investigation, and refuses to sign the waiver certificate.

IF WAIVER CERTIFICATE CANNOT BE COMPLETED IMMEDIATELY: In all cases the waiver certificate must be completed as soon as possible. Every effort should be made to complete the waiver certificate before any questioning begins. If the waiver certificate cannot be completed at once, as in the case of street interrogation, completion may be temporarily postponed. Notes should be kept on the circumstances.

PRIOR INCRIMINATING STATEMENTS:

1. If the suspect/accused has made spontaneous incriminating statements before being properly advised of his/her rights he/she should be told that such statements do not obligate him/her to answer further questions.

2. If the suspect/accused was questioned as such either without being advised of his/her rights or some question exists as to the propriety of the first statement, the accused must be so advised. The office of the serving Staff Judge Advocate should be contacted for assistance in drafting the proper rights advisal.

NOTE: If 1 or 2 applies, the fact that the suspect/accused was advised accordingly should be noted in the comment section on the waiver certificate and initialed by the suspect/accused.

WHEN SUSPECT/ACCUSED DISPLAYS INDECISION ON EXERCISING HIS OR HER RIGHTS DURING THE INTERROGATION PROCESS: If during the interrogation, the suspect displays indecision about requesting counsel (for example, "Maybe I should get a lawyer."), further questioning must cease immediately. At that point, you may question the suspect/accused only concerning whether he or she desires to waive counsel. The questioning may not be utilized to discourage a suspect/accused from exercising his/her rights. (For example, do not make such comments as "If you didn't do anything wrong, you shouldn't need an attorney.")

1. Describe the circumstances surrounding the accident (who, what, when, where, why).
21OCT07 SPC)(3), b(6) was driving the lead truck on b(2) High. There were people gathered on the sides of the road and traffic passing by.

2. What is your PLT SOP for preparing/conducting risk assessments before convoys operations?

We did a convoy brief prior to our SP. I don't remember exactly what was said. It was a while ago and I have since left theater and honestly don't think about that stuff anymore.

3. Was a convoy brief conducted prior to execution of this convoy? Was there a safety portion included?

Yes and Yes.

4. How would you assess the level of training and experience of the soldiers involved?

As with everyone, there's always room for improvement, but they knew what they were doing. I would say great.

5. What was the purpose of the convoy /patrol? What was the duration of the operation?
Patrol and go to camp Black Horse. Maybe an hour or two?

6. Describe the sequence of events w/ regard to reporting the accident through the chain of command. (Include dates & times). Upon our return to Camp Alamo we reported it right away. I believe someone called before we came back because we had to take the patient to the French hospital for MEDEVAC. We wrote our sworn statements and gave them to LT (b)(3)(b)(6)

7. Why was HM: (b)(3)(b)(6) the TC of the vehicle? Is it normal to have a corpsman on the patrol? As TC?

I was the TC because there was no one else to fill the position. There were only 6 of us on the convoy including myself. YES, it's normal to have a corpsman on a patrol because I'm there to take care of the injured in case we get "hit". If there's no one else on the convoy to fill the position then yes.

CENTCOM 011608

9. Have any of the soldiers involved in the accident had any previous incidents or accidents during this deployment? If so explain.

I don't know, I wasn't there with them the whole time during my deployment.

10. As a result of the accident what procedures have been implemented to enhance safety and prevent any future occurrences?

Don't know because I left shortly after to return home.

11. Was an AAR or internal investigation following the incident conducted to review what happened and why it happened?

I think that's what you're doing now, so yes.

12. Do you believe there was any negligence on the part of the US soldiers involved?

No, they did their job and sometimes accidents just happen.

13. Was there any loss or damaged of equipment which resulted from the accident, if so what was the approx damage costs?

No damage was found.

14. Do you believe there was a meeting or get together to "get the story straight" before completing any sworn statements?

No, we were busy cleaning blood off the stretcher and inside the truck.

15. How did you estimate the speed of the vehicle at the time of the accident?

I asked SPC(b)(3)(b)(6)

16. Describe traffic conditions on (b)(2)High the morning of the accident.

Heavy pedestrians congregated at what looked like a bus stop. Road construction, concrete barriers in the middle of (b)(2)High 3 dirt trucks in front of us, normal traffic, and a mom with her kids on the side with the concrete barriers.

17. What is the speed limit on (b)(2)High

I didn't know Afghanistan had posted speed limits. I honestly don't know, it's usually what's safe for the convoy.

18. How are the soldiers that were involved holding up? Do you see a need for any professional counseling?

When I was there they seemed to be holding up ok. I asked them and told them if they needed to talk they could talk to me. I don't think they need professional counseling.

19. Who was the convoy NCOIC?

Don't remember.

CENTCOM 011609

20. Weren't some of your soldiers involved in a recent (b)(2)High roll-over? (Who, what, when, where, why).
I wasn't there when that happened so this question does not apply to me.

21. What is your assessment of the driver of the vehicle? Is he a safety conscious driver? How would you characterize his driving?

I think SPC)(3)(b)(6) is an excellent and safe driver. His driving is that of what it should be, he moves the vehicle safely and drives like one should drive a (b)(2)High in a hostile environment.

22. From a passenger/driver perspective, could this accident have been avoided?

No, there were people on both sides of the road and the man stepped out in front of the truck. There was nothing SPC)(3)(b)(6) could have done differently, the man just took a step backwards and that was it. I never saw his face just the side view.

23. Who else do I need to interview to get the full story or complete my investigation?

I don't know, the other people on the convoy.

24. Is there any other information you have to give me that will facilitate my investigation?

No.

9. I, (b)(3)(b)(6), WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

The following is in reference to the accident involving a Afghan citizen and the KMTC (b)(2)High on 21 OCT. 2007.

I (b)(3)(b)(6) was at my place of duty in the TAG S3 shop at Approximately 0900 on the morning of 21 OCT. 2007 when the S2 NCO who shares the office with the S3 received a phone call from the KMTC S2 OIC reporting that a Afghan (b)(6) was struck and killed by an American convoy. Due to lack of detail on the phone call S2 NCO went over to KMTC to gather more detailed information. I then checked with (b)(2)High TOC as per (b)(2)High to see if they had any details on any incident, at the time they did not. S2 NCO contacted me by cell phone and informed me that the Afghan civilian was a (b)(6) and was struck out side KMTC by an unknown American convoy. I informed the TAG commander that a KMTC civilian instructor had been struck by an ANA convoy and that the initial report was that he had been killed. I returned to the (b)(2)High TOC at approximately 0930 to find about any further development. The (b)(2)High NCOIC was on the Cell phone with the (b)(2)High patrol that was on the road, and they were reporting that they had hit a Afghan with the (b)(2)High mirror in front of KMTC. The patrol was at Camp Warehouse TMC and that the Afghan was unconscious and being treated. It was determined after another phone call to the KMTC S2 that the two incidents were the same by confirming the name of the victim. The (b)(2)High patrol reported that the victim was to be Air lifted to the Hospital in Bagram. the last information I had on the status of the instructor was that he was alive, unconscious, and at Bagram. I was informed several (est 8) days later in a combined staff meeting by the KMTC S2 that the instructor had died.

You should consult with MAJ (b)(3)(b)(6) regarding developing an investigation plan, determining whether witnesses need to be advised of their rights under the UCMJ, Article 31 or the Fifth Amendment, special procedures for interviewing Department of the Army civilian employees, and preparing findings and recommendations.

4. Procedures.

a. Because no individual has been named as a respondent at this time, you are to conduct this investigation using the informal procedures outlined in Chapter 3, AR 15-6.

SECTION IV - FINDINGS (para 3-10, AR 15-6)

The (investigating officer) (board) , having carefully considered the evidence, finds:

As a result of my investigation into the vehicle accident involving a (b)(2)High striking and killing a local national on 21 OCT 07, the following information is provided as required:

a. Facts and circumstances surrounding the incident. On 21 OCT 07 soldiers assigned to 1st PLT Co C 1-118 IN (b)(2)High were conducting a (b)(2)High patrol in the vicinity of Kabul Military Training Center (KMTC). This patrol consisted of two (2) (b)(2)High and six (6) personnel. Vehicle #1 consisted of: SPC (b)(3)(b)(6) (Driver), HM3 (b)(3)(b)(6) TC, and SPC (b)(3)(b)(6) Gunner. Vehicle #2 consisted of: CPL (b)(3)(b)(6) (Driver), SGT (b)(3)(b)(6) (TC/Convoy CDR), and SPC (b)(3)(b)(6) (Gunner). Upon nearing completion of the mission, SGT (b)(3)(b)(6) directed the convoy to return to Camp Alamo using the gate located off (b)(2) High (Jalalabad Highway) as opposed to entering KMTC through the Masoud gate. The decision to use this route was a Random Anti-terrorism Measure (RAM) so as not to establish a routine or pattern for their Convoy Operations. As the convoy the convoy turned left onto (b)(2)High traveling west, they encountered heavy traffic conditions. As they approached checkpoint V6, they came upon three dump trucks and passed them. After passing the trucks the road narrowed or bottlenecked into one lane. There were parked vehicles in the road on the right hand side of the road and a median which separates the east and west bound lanes of (b)(2) High. The driver of vehicle #1 reported seeing a family walking between the median and into on-coming traffic. A large group of LN's (estimated between 12-15 personnel) were walking in/around the area of the parked vehicles. As the convoy was passing through the area, the estimated speed of the convoy at the time of the accident was 30-35 MPH. One of the LN's stepped backwards into the road without looking. As the LN stepped backwards he was struck by vehicle #1. SGT (b)(3)(b)(6) ordered the convoy to stop and HM3 (b)(3)(b)(6) attempted to perform first aid. Due to the nature and extent of the injuries to the LN, it was determined that the best course of action was to evacuate the casualty to the hospital at Camp Warehouse. The convoy attempted to MEDEVAC the wounded LN using internal assets; however, they were unable to load the casualty into their (b)(2) High. An Afghan National Police (ANP) Light Tactical Vehicle (LTV) arrived on the scene and transported the LN to Camp Warehouse. The LN was ultimately airlifted to Bagram Airfield (BAF) where he died a few days later. The LN was later identified as (b)(6) a literacy instructor at KMTC. Although I was unable to substantiate the allegation, it was reported to me that the LN had been involved in a similar incident with a motorcycle a few weeks prior to this incident. As best as I was able to ascertain, the incident took place between 0900 and 0920.

b. The mission purpose of the convoy/patrol at the time of the accident and risk assessment conducted.

The mission of the convoy/patrol was a routine mounted security patrol in the PLT area of operations. The duration of the mission was estimated to be approximately 1.5 hrs. With regard to the risk assessment, the PLT Ldr (2LT) (b)(3)(b)(6) prepares a weekly risk assessment and posts it in the TOC. Per the PLT SOP the Convoy Cdr as a part of his convoy operations brief must include the risk assessment and ensure that safety is adequately addressed during the briefing. By all accounts SGT (b)(3)(b)(6) conducted this briefing and included appropriate risk and safety information.

Continued on attached sheet.

SECTION V - RECOMMENDATIONS (para 3-11, AR 15-6)

In view of the above findings, the (investigating officer) (board) recommends:

(b)(5), (b)(2)High

Continuation Sheet (DA FORM 1574, Section IV - Findings)

c. The cause of the accident and an assessment of actions that can be taken to avoid future accidents. There were numerous factors which resulted in the accident; however, I do not believe there was any negligence on the part of the Soldiers involved. While tragic and unfortunate I am confident there was nothing the Soldiers involved could have done to prevent this accident from occurring. Having personally traveled this route on numerous occasions and having first hand knowledge of the area in which the accident took place, I am surprised this type accident hasn't occurred more frequently. The primary cause of the accident was heavy traffic combined with a narrowing/bottleneck road due to vehicles parked in/on the route and a LN not maintaining situational awareness when moving around vehicles on a heavily traveled road. With regard to actions or steps that may be taken to prevent future occurrences/accidents, I prefer to focus my recommendations /comments on lessons learned. First and foremost, crew communications are vital. In a situation such as this the Driver, TC, and Gunner must continuously communicate about what they observe during a Convoy operation. Experience is also a key factor and in this instance having a young Navy medic (E4) serve as a TC was a poor decision. Convoy Operations in an urban environment are extremely dangerous and strong Command and Control (C2) is required to conduct safe operations. The Convoy Cdr must strictly enforce proper interval, speed and ensure that communications are maintained throughout the operation.

d. The nature and extent of loss of military equipment. There was no loss or damaged equipment which resulted from this accident.

e. How, when and by whom the accident was initially reported and the nature and reason for delay in reporting the accident or subsequent death of the local national. According to the staff journal entry located at exhibit S, the Cobra TOC was notified at 0925 on 21 OCT 07. SFC (b)(3)(b)(6) PLT SGT reports that he received a phone call from SGT (b)(3)(b)(6) report the incident. Upon the patrol returning to Camp Alamo, 2LT (b)(3)(b)(6) (was directed by COL (b)(3)(b)(6) to take statements from the soldiers involved. The TAG Assistant S3, MAJ (b)(3)(b)(6) had earlier briefed COL (b)(3)(b)(6) on the limited information that they had received from the Cobra TOC regarding the accident. Using the statements taken from the soldiers involved in the accident, 2LT (b)(3)(b)(6) prepared his Serious Incident Report (SIR) and submitted it to his Company Commander (CPT) (b)(3)(b)(6) located at 201st RSAC (Camp Blackhorse). It is important to note, that the TAG Cdr had no Command Support relationship to the (b)(2) High PLT (see Task Organization located at exhibit U). CPT (b)(3)(b)(6) reports having been telephonically notified by 2LY (b)(3)(b)(6) about the accident but cannot recall the approximate time. According to CPT (b)(3)(b)(6) he verbally notified his next higher, COL (b)(3)(b)(6) (201st RSAC Cdr) and the 201st RSAC TOC. The date time group on the SIR was 211612OCT2007. The 201st RSAC Battle Captain's log, located at Exhibit T, indicates that the 201st RSAC had visibility of the incident as early as 1015 on 21 OCT 07. According to the Battle captain's log under actions taken, 201st RSAC attempted to contact Staff Judge Advocate (SJA) at Camp Phoenix to report the incident. The SJA at Camp Phoenix, LTC (b)(3)(b)(6) reports that neither he nor his staff was notified. I attempted to interview COL (b)(3)(b)(6) 201st RSAC Cdr, regarding his knowledge of the events which transpired that day and the subsequent reporting of the accident; however he wasn't willing to discuss the events with me in a manner which was conducive to my understanding what happened and if the incident had ever been reported to CJTF Phoenix. COL (b)(3)(b)(6) attitude and demeanor towards me as the IO was rude and as unprofessional as any experience that I have observed in 22 years of military service. As best as I have been able to ascertain, the 201st RSAC submitted the SIR to Phoenix on 30 OCT 2007 only after the situation came to light during a Commanders Update Brief. A day following my trip to Camp Blackhorse to discuss the issue with COL (b)(3)(b)(6) I was copied on an email from COL (b)(3)(b)(6) COL (b)(3)(b)(6) in which he identified the timely reporting of the accident as a "problem". Based upon these facts, my conclusion is that the reporting process broke down at the 201st RSAC Command level.

ON THE DRIVERS SIDE THERE WERE CONCRETE BARRIERS AND ROCKS. THE DRIVER WAS CLEAR TO PASS AND WAS AS FAR OVER TO THE DRIVERS SIDE AS POSSIBLE. AS WE WERE PASSING ONE OF THE AFGHAN MALES STEPPED BACKWARDS INTO THE ROAD AND WAS INITIALLY STRUCK BY THE TC'S SIDE MIRROR. AFTER THAT I HEARD TWO MORE LOUD THUMPS ON THE TRUCK. WE STOPPED THE (b)(2)High AND THE SECOND ONE STOPPED AS WELL. I GOT OUT OF THE (b)(2)High GRABBED MY MEDIC BAG AND RAN OVER TO THE PATIENT. UPON ARRIVAL, THE AFGHAN MALE WAS UNCONSCIOUS, CONVULSING, THROWING UP DARK RED BLOOD, HAD BLOOD COMING OUT FROM BOTH EARS, AND EYES. HIS EYE APPEARED TO BE SLIGHTLY BULGING AS WELL. HIS SKULL WAS CRACKED AND A LOT OF BLOOD WAS COMING OUT. SGT (b)(3)(b)(6) BROUGHT THE STRETCHER AND WE PROCEEDED TO PLACE HIM, THE PATIENT, ON IT AND SECURE HIM ON TO IT. At 0930 hours on Checkpoint V6 we drove up on a group of local nationals on the side of the road. we were traveling about 35mph and one of the locals, as we were passing by he stepped towards the vehicle. Before I had time to alert my driver of this, we struck two locals with our TC side mirror. On the day of Oct 21, 2007, at approximately 0930 our convoy were traveling the violet near CP V6. We passed three big work trucks and a van was parked on the right side of the road. People were standing beside the parked van and 2 pedestrians were struck by first truck in convoy. The convoy was immediately stopped and we proceeded to help the victims. We assessed the situation and transported victims to Warehouse. It took us about 5 minutes before we took the victims to get medical help. We transported victims to warehouse on ANP vehicle. The patient was bleeding from head and mouth. The medic on the scene made a quick observation of patient and determined he needed serious help so that we took him to warehouse. Once at the warehouse we took patient in emergency room and remain on site for further information from the doctor. MEMORANDUM FOR COL (b)(3)(b)(6) DCO, CJTF-Phoenix VI, Camp Phoenix,
Afghanistan APO AE 09320

SUBJECT: Solatia Payment Approval Request – 21 October 07 Traffic Accident, KMTC

1. Executive Summary. You are the approving authority for Solatia per the Legal SOP. Solatia uses O&M funds and will reduce the Commander's funds. Herein it is recommended that you approve the Solatia payment. The facts of the accident are memorialized in a 15-6.

2. Discussion. Solatia Payments are intended to be a quick, gratuitous payment to Afghan Nationals as an expression of sympathy and condolence to a victim or a victim's family in connection with an injury, death, or damage involving U.S. Forces and accompanying civilian employees in Afghanistan. The payments are not an admission of legal liability or fault. Solatia payments are proper when an injury, death, or property damage is:

(a) Suffered in connection with the Afghan national's employment with the U.S. Armed Forces;

(b) Caused by a military member or civilian employee of the U.S. Armed Forces in the performances of official duty;

(c) The result of an accident involving an official U.S. Armed Forces vehicle driven by an authorized military or civilian driver; or

(d) Caused by a military member or civilian employee of the U.S. Armed Forces in a non-official duty status and the member or employee is unable to make a solatia payment.

3. In this case, the death of Ahmad Shaw was the result of an accident involving a U.S. Army vehicle driven by one of our soldiers. Solatia is proper under the facts of this incident.
