MEMORANDUM OF OPINION

SUBJECT: Claim of (b)(6) Claim 08-NMD-0027

1. **Identifying Data:** (b)(6)
2. **Date and place the incident occurred giving rise to the claim:** The claim originated in Sherwin Village on 13 December 2007.
3. **Amount of claim and date it was filed:** The amount of the claim is 40,000,000 Iraqi Dinar, or \$33,408.00. On 22 March 2008, the claimant filed a claim for the destruction of his house by Coalition Forces (CF).
4. **Jurisdiction:** This request is presented for consideration under the provisions of the Foreign Claims Act, (FCA) 10 USC Section 2734, as implemented by Chapter 10, Army Regulation 27-20 and Department of the Army Pamphlet 27-162, Chapter 10. This claim was properly filed in a timely manner.
5. **Facts:**
  - a. The claimant alleges that CF bombed his house and killed his family. He provided six envelopes labeled "13 Dec GIMLR Accident Condolence."
  - b. A search of the SIGACTs turned up an event that matches this incident. This house was being used to fire mortars at CF, and was therefore targeted. A reconnaissance of the target resulted in the discovery of three KIA local nationals.
  - c. The claimant submitted several witness statements, photographs, death certificates, and a report by a judicial investigator in support of his claim.
6. **Opinion:** The claim is denied because of the combat activity by the CF that destroyed the house being used to attack CF. Claims arising "directly or indirectly" from combat activities of the U.S. Armed Forces are not payable. Damages caused by enemy action, or by the U.S. Armed Services resisting or attacking an enemy or preparing for immediate combat with an enemy are certain to be considered as arising from combat activities (DA PAM 27-162, paragraph 10-3b).

Warhorse, Iraq, APO AE 09336

SUBJECT: The Claim of (b)(6)

1. On 22 March 2008, (b)(6) submitted a claim at FOB Fallock, Iraq. Mister (b)(6) asserts that on 13 December 2007, a bomb hit his house, destroying his house and killing his family. I searched the CIDNE database and found an event that matches what the claimant describes. Mister (b)(6) also provided six envelopes labeled '13 DEC GIMLR ACCIDENT CONDOLENCE', but has not told me the amount he received. Mister (b)(6) is claiming ID 40,000,000 (\$33,408).

2. I recommend denial of this claim. Mister (b)(6) house was lawfully targeted as the point of origin of a mortar attack on KWAL. Mister (b)(6) has already been paid through CERP.

3. Questions and comments may be remitted to me at (b)(6), (b)(3) @us.army.mil or by calling (b)(2)High .
