Chiefs,  
Please pass on to your circuit judges.

The civil justice committee will be meeting at or about noon on July 27 (see conference agenda for final details) in Salon G-J of the Marco Island Marriot.

Among the agenda items will be civil jury instruction updates and civil mortgage foreclosures. As to foreclosures be prepared to discuss: your circuit's long and short term plans; plans for use of economic recovery dollars and what to do when the money is gone; how the civil division is being impacted and typical availability of senior judges; and should the conference be doing anything.

Please let me know if you want anything else added to the agenda.
