Be advised, we have already experienced what I would describe as unfavorable contact with the EDVA regarding WFO's failure to more aggressively address pending allegations. Specifically, AUSA Rod Spencer, USAO-EDVA, has already berated an agent and I literally have a message on my desk to call him regarding these cases. Apparently the EDVA is under some pressure and is most desirous of WFO to address these matters expeditiously. I mention this only to make you aware, there will soon come a time when WFO will no longer be able to hold the EDVA off on these matters before DOJ starts calling you. It would be of great benefit if HQ could run a little interference with DOJ. Less pressure on the EDVA would equate to less pressure on WFO. Call me.

Mr Turner,

As an update, we are going through and summarizing the information turned over by DOJ. As per our tel call right now this seems to involve only a few allegations. We will send you EC(s) with lead to review and discuss prosecution potential with EDVA prior to opening any investigation. We will keep you apprised if it appears like DOJ will request FBI to work more than this.

Thanks [redacted] b6 -1
