Just wanted to follow-up and reiterate CID's request to interview you, hopefully early next week. I advised them I'd coordinate with you, if you're available, and we'd come to Ft. Belvoir. Let me know.

Also, I (meaning the Bureau) need to make sure everyone is aware the situation/relationships

I was asked to make sure you and CTD were aware of these issues, although it's not meant to make the process any more intimidating. Contact me at your convenience to schedule a time to meet with Agent [Redacted] CID, or if you have any questions. Also, bring whatever documentation to include the 302s with you to the interview. b6 -2
