Valene - I spoke with Lt Col [redacted] the JTF SJA yesterday [redacted] and General Hood were already aware of this allegation [redacted] indicates the incident described by the detainee matches up with an instance wherein the detainee was the subject of a Forced Cell Extraction I don't know if they determined that as part of a formal inquiry at the time of the reporting by the detainee, or just recently as a result of the Navy IG investigation - I suspect the latter.
