I spoke with the Military Liason & Detainee Unit, they are reviewing the request and trying to determine the time needed to ensure a proper search. They are concerned that the request is rather broad and will necessitate a broader search than is typically requested by NCIS. (Before I sent it to MLDU, I spoke to the requestor about narrowing the request and got it to what is described in the EC I wrote.) I am going to speak to MLDU at the end of the day tomorrow for an assessment. After that, I'll contact the requestor from NCIS to determine if he has any objection to the proposed time frame.

John,

I don't remember who was sending out the EC on this, but per the attached, NCIS is asking for an ETA on the materials. Can you have someone check and let me know, please?

[redacted] Can you contact MDLU and get a reasonable but prompt estimate on how long this should take so that we can see if this fits with NCIS's needs
