b7F -1 Valene - Any idea who is sending us this request for information? Is it NCIS? Is JTF-GTMO already aware of this? I'm at a loss on this one and I'd like to get a head start if I can, but I'd like to have more info. if there is any, before I start banging around down here [Redacted] while in GTMO last week for [Redacted] stated that [Redacted] wasn't abused at GTMO

Thanks,

Tom,

b6 -4 You'll be getting an EC or some sort of formal request for info in the next day or two, but just as a heads
b7C -4 up, NCIS is investigating allegations that [redacted] made about physical abuse after he was captured
b7F -1 In the preliminary inquiry that the Navy has done to date, they say that he was likely in the custody of the
Army or, "possibly CTC and/or FBI personnel" at the times he says he was abused (Interestingly,
according to the Navy, [redacted] reports no abuse while on board USS Bataan or USS Peleleu or while at
GTMO)
