Valene,

Sorry for the delayed response. But, I am not aware, based on the meeting I attended and my conversations with the parties there of any FBI involvement. Also, I am not familiar with [redacted] to DOJ referral.

Is it safe to say that as of today FBI is not involved in any of these investigations, including the ones I saw a referral from [redacted] to DOJ. Does anyone know where that one is at DOJ?

At the meeting, CID briefed the group on five investigations that are ongoing. All involved military personnel. There is one allegation involving a civilian contractor, but it is not clear whether that individual is a U.S. citizen. That investigation is ongoing. Brian Murtagh, Sr. Trial Atty, Domestic Security Section, DOJ is going to CID this week to look at files, presumably to determine whether there is a current need for further DOJ involvement.
