Well, I don't think I embarrassed you as your personal representative in the Secretary of the Navy entourage I heard the briefing for the Secretary on the status of the Combat Status Review Tribunal process

[redacted] (S) [redacted] and the admiral in charge

b1

of the operation praised the FBI as the model of cooperation FBI senior agent was in the room (I know him well from his HQ time), he said that FBI on-scene presence and dedicated assets—primarily him and [redacted] were the reasons FBI was able to turn them around quickly

Got a tour of Delta like you and, despite the fine ocean view, agree that it is not the place to vacation Saw about one half of a tribunal hearing and was disappointed when the Taliban combatant was docile and cooperative—I was hoping for some action

got back 7 30 last night--12 hour evolution Thanks for letting me go
